Chapter 3: Display Orders	. 6
Chapter 4: Reserve IP Address for Tablet	. 7

Chapter 1: Install and Run CFD

W&O Customer Facing Display (CFD) works with W&O POS. You need to install W&O CFD and W&O POS on your tablets.

After the CFD running, you can customize Logo, Color and Font Size. Tap Logo, and select difference color for font or brand, tap the font color/ brand color

Copyright © 2011 - 2018 Android Application Development Hong Kong. All Rights Reserved

And choose one color, tap the right block of the dialog bottom to use the change.

You can select different pictures as your welcome screen and payment screen and edit message of the day.

Tap the option, choose the picture you like, tap the side of blue to cut the picture, and done.

Quanti Subtot State F Tota	ty: al: Rate: L: Payment	4 \$61.00 \$2.44 \$63.44	¢				ζ					

Chapter 3: Display Orders

All the information shown on the left field of POS in the ordering screen, can be shown synchronously on the CFD.

	٥			
	th	iank you !		
	Total:	\$63.44		
	Paid:	\$63.44		
	Change:	\$0.00		
		Powere	d by w&o pos	
	\bigtriangledown	0		

If the POS has pay, the payment dialog will show.

Chapter 4: Reserve IP Address for Tablet

Sometimes, your router may assign different IP to tablet when you restart router or tablet. In that case, you need to assign local static IP to your tablet. Here is sample of how to assign static IP in your tablet.
